Student Council Newsletter

Summer 2014

- **Appeal For Renovated Toilets**

The Student Council has launched a major appeal for the toilets to be renovated. A member of the Council has presented a PowerPoint presentation to certain classes regarding hygiene. This is a whole school concern and is an ongoing project.

- **Defibrillator**

The members of the Council have held many fundraisers to meet the cost of a defibrillator for the school. Recently, a first year member organised a member of Cardiac Services to come out to talk to the members and give them a crash course in defibrillators. This was a massive success and everything has been taken under consideration. We hope to have our defibrillator within the following year.

- **Facebook Page**

Back in January, a member of the Student Council set up a Facebook Page from all students to join. The philosophy of the page is so students can make suggestions, issue a complaint, and stay up-to-date with the current happenings of the Council. As of the current moment, the page has over fifty members.

- **Student Council Website**

The Student Council website was formed for people that could not access their Facebook account or cannot view the student council page. If people can't access the Facebook page; the people can access the student council website and send their suggestions or queries to the team.

- **The Inter-Council**

The Inter-Council Meeting was held in March. It was held with St. Mary's, St. Vincent's and St. Kevin's. The Meeting was held in our school library with light refreshments. It was a very good opportunity to exchange ideas and meet members from other Student Councils.

- **Lá Glás, Seachtaine Na Gaeilge**

The Student Council held a special event during Seachtaine na Gaeilge 2014. The event consisted of students wearing green into school, for the cost of two euro. The proceeds went to the Irish Department and funding for the Defibrillator.

- **Three Strike Rule**

The Student Council have introduced a new three strike rule. If you are a present member of the Student Council, and if you miss three meeting without excusing yourself, you will be in danger of losing your placement in the Student Council.

- **Elections**

Elections will take place for incoming first years in September. Applications will also be taken from students from other years if they wish to join. We hope to meet new members.

*The Student Council would like to wish you
all the best in your summer exams and we hope
you have a great summer! 😊*
